North America's Largest Roofing Manufacturer!™*

The Legal Stuff

What is Covered/Excluded. This System Plus Limited Warranty covers certain GAF roofing products installed on your roof (the "GAF Products") including GAF Shingles, GAF Ridge Cap Shingles, GAF Starter Strip Shingles, GAF Leak Barrier products, GAF Roof Deck Protection products, GAF Cobra® Attic Ventilation products, and GAF-labeled Ultimate Pipe Flashing® with EasySleeve (manufactured by Lifetime Tool® & Building Products LLC). This warranty does not cover ShingleMatch™ Roof Accessory Paint, Master Flow® Attic Ventilation, GAF Cornell Nail Base Roof Insulation, or low-slope membranes (each of which is covered by a separate limited warranty) or any non-GAF roof products, such as roofing nails.

Who Is Covered by This Limited Warranty; Transferability.

You are covered by this warranty if you live in the United States or Canada and are the original property owner (i.e., not a builder or installer) or the first subsequent owner if this warranty was properly transferred.

This limited warranty may be transferred only once. The second owner must notify GAF in writing within 60 days after the property transfer has occurred for any coverage to be transferred. (Other than this one transfer, this warranty may not be transferred or assigned, directly or indirectly.) If the transfer takes place during the first 20 years, the second owner shall be entitled to all benefits contained in this warranty. If the transfer takes place afterwards, the length of this warranty shall be reduced to the two-year period after ownership changes. During this two-year period, GAF's reimbursement to the second owner will be based only on the reasonable cost of replacement GAF Products, reduced by the amount of use that has been received from the GAF Products from date of installation through the date of claim.

Note: If this warranty is initially registered by a GAF Authorized™ Home Builder, the buyer of the home must notify GAF in writing within 60 days of taking title to the property for coverage to be transferred. The home buyer will then be considered to be the original owner under this warranty.

How Long Your Warranty Lasts: All GAF Products. Coverage begins when your GAF Products are installed. (If a GAF Authorized™ Home Builder initially registers this warranty for a newly constructed home, coverage begins when you take title to the property and you properly transfer coverage.) Coverage for all GAF Products lasts as long as the warranty for manufacturing defects for the type of shingle installed in the field of the roof. Note: If cut-up GAF Strip Shingles are used instead of the eligible GAF Ridge Cap Shingles, the warranty and non-prorated period for the cut-up strip shingles are the same as they would be if those shingles were used in the field of the roof.

Manufacturing Defects: Lifetime Shingles. All GAF Shingles covered by this warranty other than Royal Sovereign® and Marquis WeatherMax® Shingles carry a Lifetime warranty against manufacturing defects and a non-prorated period of 50 years. (Note: This limited warranty is not available for roofs with Sentinel® Shingles.) The word "Lifetime" means as long as you, the original owner(s) [or the second owner(s) if coverage was properly transferred within the first 20 years], own the property where the shingles are installed. The Lifetime warranty term and 50-year non-prorated period are applicable only to shingles installed on a single-family detached residence owned by individual(s). For any other type of owner or building, such as a corporation, governmental entity, religious entity, condominium, or homeowner association, school, apartment building, office building, or multi-use structure, the length of the warranty is 40 years and the non-prorated period is 20 years.

Manufacturing Defects: Other Shingles. Marquis WeatherMax® Shingles are warranted against manufacturing defects for 30 years; Royal Sovereign® Shingles are warranted for 25 years. The non-prorated period is 20 years for both Marquis WeatherMax® and Royal Sovereign® Shingles.

Failure to Seal/Blow-Offs/Wind Damage. Coverage lasts for 15 years for Lifetime Shingles and for Timbertex® and Ridglass® Ridge Cap Shingles. Coverage for all other shingles and ridge cap shingles is 5 years.

Algae Discoloration. All StainGuard®-labeled shingles and ridge cap shingles are warranted against algae discoloration for 10 years.

Manufacturing Defects: What Is Covered/Sole and Exclusive Remedy.

GAF Warranty Company, LLC, a subsidiary of GAF, warrants that your GAF Products will remain free from manufacturing defects that adversely affect their performance during the applicable warranty term listed above. **Note:** Failure to seal/blow-offs/wind damage and algae discoloration are covered separately below.

(a) **During the non-prorated period:** If any of your GAF Products is found to have a manufacturing defect that adversely affects performance, GAF will pay you the full reasonable cost of labor to repair or re-cover the affected GAF Product(s), and will provide replacement products. The cost of labor to tear off some or all of your GAF Products is included if necessary to repair your roof. GAF will not pay costs to dispose of any roof products.

(b) **After the non-prorated period:** The repair or re-cover cost which GAF will pay, and the roof products to be provided, will be reduced to reflect the amount of use you have received from your roof through the date of your claim. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term. For a Lifetime warranty, GAF's contribution in years 51 and beyond will be 20%.

After the non-prorated period, GAF's maximum liability for any roof shall NOT exceed three times the reasonable cost of replacement GAF Products before any reduction for use.

Failure to Seal/Blow-offs/Wind Damage: What Is Covered/Sole and Exclusive Remedy.

This Limited Failure to Seal/Blow-Offs/Wind Damage Warranty is specifically conditioned on your shingles and ridge cap shingles being fastened strictly in accordance with GAF's published application instructions. GAF warrants to you that your shingles and ridge cap shingles will not fail to seal and that your shingles and other GAF Products will not blow off or sustain damage from winds (including gusts) up to the applicable wind speed listed below after your shingles and ridge cap shingles should have sealed but did not due to a manufacturing defect. If your shingles or ridge cap shingles do fail to seal, blow off, or sustain wind damage, or your other GAF Products blow off or sustain damage from winds, GAF's contribution to you will be for the reasonable costs of replacing the blown-off shingles or ridge cap shingles and other affected GAF Products and hand-sealing any unsealed shingles or ridge cap shingles. Costs relating to metal work and flashings are not included. GAF's maximum liability under this paragraph is to reimburse you for the cost of hand-sealing all of the shingles or ridge cap shingles on your roof.

Shingle	Wind Speed Coverage with special installation (mph / km/h)	Wind Speed Coverage without special installation (mph / km/h)
All Lifetime	130/209*	110/175
Marquis WeatherMax®	80/130	80/130
Royal Sovereign®	60/96	60/96

*Your roof will be covered up to the maximum wind speed above ONLY if your shingles are installed using 6 nails per shingle and you have GAF Starter Strip Products installed at the eaves and rakes.

Ridge Cap Shingle	Wind Speed Coverage with special installation (mph / km/h)	Wind Speed Coverage without special installation (mph / km/h)
Timbertex® & Ridglass®	130/209**	110/175
All other Ridge Cap Shingles	90/144**	70/112

**Your ridge cap shingles will be covered up to the maximum wind speed above ONLY if your ridge cap shingles are installed in strict accordance with the "Maximum Wind Speed Coverage Under Ltd. Warranty" section of the applicable ridge cap shingle application instructions.

Note: All self-sealing shingles and ridge cap shingles, including GAF's, must be exposed to warm, sunny conditions for several days before they completely seal. Before sealing occurs, shingles and ridge cap shingles are vulnerable to blow-offs and wind damage. Shingles and ridge cap shingles installed in fall or winter may not seal until the following spring. Shingles and ridge cap shingles that are not exposed to direct sunlight or to adequate surface temperatures or that are not fastened or installed properly may never seal. Failures to seal, blow-offs, and wind damage under these circumstances result from the nature of self-sealing shingles and ridge cap shingles, not a manufacturing defect, and are not covered under this warranty.

Algae Discoloration: What Is Covered/Sole and Exclusive Remedy.

This StainGuard® Limited Warranty applies only to shingles and ridge cap shingles sold in packages bearing the StainGuard® logo. GAF warrants to you that blue-green algae (also known as cyanobacteria) will not cause a pronounced discoloration of your StainGuard® labeled shingles or ridge cap shingles. During the first year, if your StainGuard® labeled shingles or ridge cap shingles do exhibit a pronounced discoloration caused by blue-green algae, GAF's contribution will be either the reasonable cost of commercially cleaning your shingles or ridge cap shingles or, at GAF's option, replacing discolored shingles or ridge cap shingles up to a maximum of the original installed cost of the affected shingles or ridge cap shingles. During the remainder of the StainGuard® warranty period, GAF's contribution to you will be reduced to reflect the amount of use you have received from your shingles or ridge cap shingles since they were installed (100%, reduced by a percentage equal to the number of months from the installation date to the date of claim divided by 120). **Note:** Preventing pronounced algae-related discoloration of your shingles or ridge cap shingles is achieved through formulations or through unique blends of granules.

What Is Not Covered. Even if your roofing system was not properly installed according to GAF's published application instructions or to standard good roofing practices, this limited warranty remains in effect. However, GAF will NOT be liable for and this warranty does NOT apply to:

- (1) Damage to your GAF Products resulting from anything other than an inherent manufacturing defect in the GAF Products on your roof, such as:
 - (a) improper fastening of your shingles or accessories or application not in strict accordance with GAF's printed application instructions, if the improper installation was the cause of the damage.
 - (b) settlement, movement, or defects in the building, walls, foundation, or the roof base over which the shingles or accessories were applied.
 - (c) inadequate attic ventilation.

(2) Damage resulting from causes beyond normal wear and tear, such as:

- (a) acts of nature, such as hail, fire, winds (including gusts) over the applicable wind speed listed above, or ice damming above the areas of your roof deck covered by GAF Leak Barrier or above flashings.
- (b) impact of foreign objects or traffic on the roof.
- (c) improper storage or handling of any GAF Products.
- (3) Shading or variations in the color of your shingles or ridge cap shingles, or discoloration or contamination caused by fungus, mold, lichen, algae (except for blue-green algae if your shingles or ridge cap shingles were labeled with the StainGuard® logo), or other contaminants, including that caused by organic materials on the roof.
- (4) Labor costs, except as specifically provided for above, disposal costs, and costs relating to underlayments (unless your claim involves a manufacturing defect in a GAF Underlayment), metal work, flashings, or non-GAF products.
- (5) Damage to the interior or exterior of any building, including, but not limited to, mold growth.
- (6) Improperly designed or installed gutter or downspout systems.

Other Limitations Concerning Coverage.

Decisions as to the extent of repair, re-cover, or cleaning required, and the reasonable cost of such work, will be made solely by GAF. GAF reserves the right to arrange directly for your roof products to be repaired, re-covered, or cleaned instead of reimbursing you for such work. The remedy under this warranty is available only for those GAF Products actually exhibiting manufacturing defects or blue-green algae growth at the time of settlement. Any replacement GAF Products will be warranted only for the remainder of the original warranty period. GAF reserves the right to discontinue or modify its shingles or accessories, including the colors available, so any replacement shingles or accessories may not be an exact match for the shingles or accessories on your roof. Even if GAF does not modify a color, replacement shingles or accessories may not match your original shingles or accessories due to normal weathering, manufacturing variations, or other factors.

Claims: What You Must Do.

You must notify GAF about any claim within 30 days after you notice a problem and provide proof of the date your GAF Products were applied and that you were the owner at that time (or that the warranty was properly transferred to you). You must either call GAF at 1-800-458-1860 about your claim, or send a notice in writing to GAF, Warranty Services, 1 Campus Drive, Parsippany, New Jersey 07054, USA. You will then be provided with complete details about submitting your claim. GAF may require you to send to GAF, at your expense, sample products for testing and photographs. Within a reasonable time after proper notification, GAF will evaluate your claim and resolve it in accordance with the terms of this limited warranty. If you repair or replace your GAF Products before you notify GAF about your claim or before GAF has completed its evaluation of your claim, your claim may be denied. If you need to repair or replace your GAF Products before your claim is resolved, you MUST provide GAF with reasonable notice. **NOTE: Notice to your contractor, dealer, or home builder is NOT notice to GAF.** You should retain this document for your records in the unlikely event that you need to file a claim.

Sole and Exclusive Warranty. THIS LIMITED WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES, CONDITIONS, REPRESENTATIONS AND GUARANTEES, WHETHER EXPRESS OR IMPLIED, WHETHER BY STATUTE, AT LAW OR IN EQUITY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This limited warranty is your EXCLUSIVE warranty from GAF and represents the SOLE REMEDY available to any owner of GAF Products. GAF makes NO OTHER REPRESENTATIONS, CONDITIONS, GUARANTEES, OR WARRANTIES of any kind other than that stated herein. GAF WILL NOT BE LIABLE IN ANY EVENT FOR CONSEQUENTIAL, PUNITIVE, SPECIAL, INCIDENTAL, OR OTHER SIMILAR DAMAGES OF ANY KIND, including DAMAGE TO THE INTERIOR OR EXTERIOR OF ANY BUILDING, whether any claim against it is based upon breach of this limited warranty, negligence, strict liability in tort, or for any other cause.

NOTE: Some jurisdictions do not allow limitations on or the exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

The United Nations Convention on Contracts for the Sale of International Goods shall NOT apply either to the sale of the GAF Products or to this warranty.

Modification of Warranty. This limited warranty may not be changed or modified except in writing, signed by an officer of GAF. No one (other than an officer of GAF) has the authority to assume any additional liability or responsibility for GAF in connection with your GAF Products except as described in this warranty.

Effectiveness. This limited warranty will not take effect unless all eligibility requirements have been satisfied, this warranty is registered to you, and your roofing contractor has been paid in full.

IMPORTANT NOTICE:

THIS IS A SAMPLE SYSTEM PLUS LIMITED WARRANTY. IT IS YOUR CONTRACTOR'S RESPONSIBILITY TO REGISTER YOUR WARRANTY WITHIN 45 DAYS OF INSTALLATION. IF YOU HAVE NOT RECEIVED YOUR WARRANTY FROM GAF WITHIN 60 DAYS, YOU SHOULD CALL GAF AT: 1-888-532-5767, OPTION 5.

STANDARD PRODUCT[^] LIMITED WARRANTY

on Owens Corning[®] Roofing Shingles and Components

THIS WARRANTY INCLUDES LIMITATIONS ON ITS TRANSFERABILITY. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE OR PROVINCE TO PROVINCE.

FOR CANADA ONLY: THE TERMS IN THIS WARRANTY, EXCEPT TO THE EXTENT LAWFULLY PERMITTED, DO NOT EXCLUDE, RESTRICT, OR MODIFY BY AND ARE IN ADDITION TO ANY PROVINCIAL LAWS.

INTRODUCTION

Thank you for your recent purchase of Owens Corning[®] Roofing Shingles and Components manufactured by Owens Corning Roofing and Asphalt, LLC ("Owens Corning"). We believe we manufacture the highest quality and most attractive roofing shingles and components available anywhere, and that is why we stand behind them with one of the best warranties in the industry. We have attempted to write this warranty in clear, plain English terms, so you will fully understand the warranty we are making to you. If anything in this warranty is not clear to you, please call us at 1-800-ROOFING or visit our website at www.owenscorning.com/roofing.

WHO IS COVERED

To be entitled to the benefits of this Standard Product Limited Warranty: (1) your property must be located in the United States or Canada and (2) you must be the original consumer purchaser (the property Owner, not the installer or contractor) of the roofing shingles and components.

WHAT IS COVERED

- **Roofing Shingles:** We warrant that your Owens Corning[®] Roofing Shingles and Owens Corning[®] Hip & Ridge Shingles are free from any manufacturing defects that (1) materially affect their performance on your roof during the TRU PROtection[®] period or that (2) cause leaks during the balance of the applicable warranty period after the TRU PROtection[®] coverage period has expired. To determine the length of the TRU PROtection[®] coverage period and the balance of the applicable warranty period, please see "**How Long Are You Covered**" and the "**Limited Warranty Information Table**" at the end of this warranty.
- **Roofing Components:** Warranty coverage for Owens Corning[®] Hip & Ridge Shingles, including Berkshire[®], DecoRidge[®], DuraRidge[®], ImpactRidge[®], ProEdge[®], and RIZERidge[®] matches the corresponding roofing shingle. For all other Owens Corning roofing components, when you install three (3) or more of the five (5) Owens Corning roofing components listed below (one product from each category where applicable) with any Owens Corning shingle, the warranty coverage for manufacturing defects and the coverage period will match the warranty of your shingles. Please see "**How Long Are You Covered**" and the "**Limited Warranty Information Table**" at the end of this warranty for warranty periods. If less than three (3) Owens Corning[®] components are used, these products will be warranted for the length of time as defined in their individual product warranties. See individual component warranties for more detail. Owens Corning roofing component categories:
 - a. Owens Corning[®] Hip & Ridge Shingles, including Berkshire[®], DecoRidge[®], DuraRidge[®], ImpactRidge[®], ProEdge[®], and RIZERidge[®].
 - b. Owens Corning[®] VentSure[®] products (intake vent or exhaust vent). If a VentSure[®] intake vent AND VentSure[®] exhaust vent are both used, this counts as one (1) of the three (3) requirements listed above. VentSure[®] off-ridge exhaust vents are excluded from this warranty.
 - c. Owens Corning[®] brand roof underlayment products, RhinoRoof[®] U20 roof underlayment, or Titanium[®] brand synthetic roof underlayment products. Installing a qualifying Owens Corning[®] Self-Adhered Ice & Water Barrier product covering the entire deck also meets this requirement and Section (e) below.
 - d. Owens Corning[®] Starter Shingle products; and
 - e. Owens Corning[®] WeatherLock[®], Titanium[®], or RhinoRoof[®] Self-Adhered Ice & Water Barrier products.

This warranty does not cover non-Owens Corning[®] roofing components, such as flashing, fasteners, pipe boots, and wood decking. This warranty applies only to those shingles purchased after January 1, 2023, and before the date a later warranty applicable to the shingles comes into effect.

HOW LONG ARE YOU COVERED

ALL IMPLIED WARRANTIES APPLICABLE TO YOUR ROOFING SHINGLES AND COMPONENTS ARE LIMITED IN DURATION TO THE TRU PROtection[®] COVERAGE PERIOD APPLICABLE TO SUCH PRODUCTS, AS PROVIDED BY THIS WARRANTY, UNLESS A SHORTER PERIOD IS PERMITTED BY APPLICABLE LAW. SOME STATES OR PROVINCES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

1. **TRU PROTECTION[®] PERIOD:** From the installation of the shingles through the TRU PROtection[®] coverage period of this warranty, Owens Corning will compensate you to either repair, replace, or recover defective Owens Corning[®] Roofing Shingles and Components. The compensation provided by Owens Corning is limited to the cost of replacing Owens Corning[®] Roofing Shingles and Components and the labor directly required to repair, replace, or recover such defective Owens Corning[®] roofing products as reasonably determined by Owens Corning. Our compensation will not cover any non-Owens Corning[®] underlayment, metalwork, flashings, or other related work, and we will not cover the cost to remove or dispose of your roofing materials. The TRU PROtection[®] coverage period does not apply to Wind or Algae coverage. Please see the "**What About Wind Resistance**" and "**What about Algae Resistance**" portions of this warranty for applicable coverage. Owens Corning reserves the right to arrange directly for the repair or replacement of your products instead of compensating you directly. This compensation is limited as follows:
 - A. If Owens Corning decides to replace the shingles or components, Owens Corning will compensate you only for the cost of replacement Owens Corning[®] Shingles or Components and the labor directly required to replace the defective shingles, both as reasonably determined by Owens Corning.
 - B. If Owens Corning decides to repair or recover the shingles, Owens Corning will compensate you only for the cost of the labor directly required to repair or recover the defective shingles as reasonably determined by Owens Corning.
2. **PRORATED PERIOD:** Once the TRU PROtection[®] coverage period for the Owens Corning[®] roofing products purchased has expired, the prorated period will begin. During this prorated period, we will provide prorated compensation of the cost of the defective Owens Corning[®] products, but no labor or other costs will be covered during the prorated period, and we will take into account the number of full years of use that you have enjoyed from the original installation date through the date of your claim, and reduce the amount of our compensation to you accordingly. We will prorate the amount of our compensation to you to adjust the number of years you have enjoyed from the original installation through the date of your claim. For example: If you purchased a shingle with a Lifetime warranty and three (3) or more Owens Corning components and you make your claim in the 15th year of the warranty, we will not cover labor but our compensation to you will be 72% of the Owens Corning[®] Roofing Shingles and Components cost at the time of purchase. Further detail can be found on the "**Limited Lifetime[^] Roofing Shingles and Components Proration[®] Table.**"
3. **OTHER TYPES OF STRUCTURES:** The coverage for the Owens Corning[®] roofing products offered by this warranty depends on the structure of which the shingles are installed and the owner of the structure. Lifetime coverage for all Owens Corning[®] Shingles applies only to single-family detached homes where the owner of the roof is the resident occupying the home.

In the instance of roofing products purchased or installed upon property owned by others, for example, corporations, governmental agencies, partnerships, trusts, religious organizations, schools, condominiums, homeowners' associations, or cooperative housing arrangements, or installed on any other structures (for example, on apartment buildings or any other type of building or premises not used by individual homeowners as their residence), the warranty period will be 40 years from the original installation date of the roofing shingles and components, and the TRU PROtection® coverage period will be five years. Further detail can be found on the **"Limited Lifetime[△] Roofing Shingles and Components Proration[§] Table."** Owens Corning reserves the right to arrange directly for the repair or replacement of your products instead of compensating you directly.

Limited Lifetime[△] Shingle Proration[§] Table

STRUCTURE/ OWNER	TRU PROTECTION® PERIOD YEARS 1-10	PRORATED PERIOD YEARS 11-40	PRORATED PERIOD YEARS 41 AND BEYOND
Single-family detached home owned by individuals	100% ⁺⁺	80% reduced by 2% every year thereafter until year 40	20%
STRUCTURE/ OWNER	YEARS 1-5	YEARS 6-40	YEARS 41 AND BEYOND
Other types of structures	100% ⁺⁺	87.5% [§] reduced by 2.5% every year thereafter until year 40	No coverage

[△] For as long as Owner owns home.

[§] Proration is calculated annually, based on the original installation date. There are no partial year prorations.

⁺⁺ Of costs covered under this warranty.

4. EXCEPTIONS

All of the Owens Corning Obligation of Compensation under this warranty (whether for repair, replacement, recovery, or refunding a prorated portion of the cost of the defective roofing products) are subject to the limitations provided by this warranty. Any replacement Owens Corning® Products will be warranted only for the remainder of the original warranty period. Owens Corning will not provide compensation for any underlayment, metalwork, flashings, or other related work. We will not compensate for the removal and replacement of solar panels or other rooftop equipment, and we will not compensate for the cost to remove or dispose of your roofing shingles and components.

5. WHAT ABOUT WIND RESISTANCE

Your shingles and Hip & Ridge (the Shingle Products) contain asphalt sealant that requires direct warm sunlight for several days (Thermal Sealing) in order to seal properly. If your Shingle Products are installed during a period of cool weather, they may not adequately seal until the season changes or the weather warms, and if your Shingle Products never receive direct sunlight or are not exposed to adequate surface temperatures, they may never achieve Thermal Sealing. Prior to your shingles achieving Thermal Sealing, your Shingle Products are more vulnerable to blow-offs and wind damage. This is the fundamental nature of Shingle Products and not a manufacturing defect, and we are not responsible for any blow-offs or wind damage that might occur prior to Thermal Sealing having occurred. After your Shingle Products have achieved Thermal Sealing, however, they will be covered under this warranty if they experience blow-offs or wind damage in winds (including gusts) up to the levels and for the period from the original installation date ("**Wind Warranty Period**") listed in the **"Limited Warranty Information Table"** listed in the chart at the end of this warranty.

HOWEVER, THE COVERAGE AGAINST SHINGLE PRODUCT BLOW-OFFS OR WIND DAMAGE IS IN EFFECT FOR A PERIOD OF 15 YEARS FROM THE ORIGINAL DATE OF INSTALLATION. Owens Corning will be liable only for the reasonable cost of replacing blown-off Shingle Products (to include material and labor during the applicable TRU PROtection® warranty period) and the reasonable cost of manually sealing the unsealed Shingle Products remaining on the roof.

6. WHAT ABOUT ALGAE RESISTANCE

If the Shingle Products that you purchased were not specifically labeled as **"Algae Resistant"** (AR), then any discoloration caused by algae is not covered by this warranty as explained in the section **"What Is Not Covered."** However, if you did purchase AR Shingle Products, they are covered for the period described in the **"Limited Warranty Information Table"** at the end of this warranty following the date of installation ("**AR Warranty Period**") against brown-black staining caused by growth of cyanobacteria *Gloeocapsa magma* algae. To be eligible for 25-year AR coverage, you must use one of the following Owens Corning® Hip & Ridge Shingles: Berkshire®, DecoRidge®, DuraRidge®, ImpactRidge®, ProEdge®, or RIZERidge®. We do not cover the effects of other growth, such as mold, lichen, and green algae. If brown-black staining occurs during the AR Warranty Period, you will be entitled to the following remedy:

- a. **Non-Prorated Period** – From the installation of the shingles until ten (10) years after the date of installation, we will compensate you for the cost, including labor (such cost not to exceed the cost of the AR Shingle Products plus the cost of installation), as reasonably determined by Owens Corning, to repair, replace, or recover the affected AR Shingle Products. For purposes of this AR Shingle Products warranty, the term "repair" as used above refers to cleaning or otherwise removing any algae growth from affected AR Shingle Products. Decisions regarding whether your AR Shingle Products should be repaired, replaced, or recovered will be made solely by Owens Corning.
- b. **Prorated Period** – Once the non-prorated coverage period for algae resistance (as described above) has expired, the prorated period will begin. During this prorated period, we will provide compensation limited to a prorated amount of the cost of the affected AR shingles. No labor or other costs will be covered during the prorated period, and we will take into account the number of full years of use that you have enjoyed from the original installation date through the date of your claim, and reduce the amount of our compensation to you accordingly. For example: If you purchased a shingle with a 25-year AR warranty period, and you make your claim anytime in the 16th year of the warranty, our compensation to you will be the amount of the cost of the affected Owens Corning® AR Shingle Products reduced by 16/25ths of the cost at the time of purchase of the affected AR Shingle Products.
- c. ****If a qualifying Owens Corning® manufactured Hip & Ridge shingle is **not** used, the AR warranty period is reduced from 25 to 10 years and the non-prorated period will be 1 year.
- d. See Limited Warranty Information table below for applicable AR product coverage.

NOTE: In some coastal areas and/or areas with limited rainfall, copper released by algae-resistant shingles can cause excessive corrosion to aluminum gutters. In these regions, Owens Corning recommends using vinyl gutters and will not be liable for any damage that may result from using aluminum gutters with algae-resistant shingles.

TRANSFERABILITY OF THIS WARRANTY (BASED ON ORIGINAL INSTALLATION DATE)

This warranty is not transferable except as follows: You may only transfer this warranty one time, anytime during the life of the warranty, to the purchasers of the structure on which the shingles are installed. For this warranty to transfer and the second Owner to obtain the benefits of this warranty, the second Owner must, within 60 days after the date of the real estate transfer, contact Owens Corning and submit together (1) proof of purchase of the Owens Corning® Roofing Shingles and Components and (2) the installation date and ownership history. We may be contacted by going to <https://www.owenscorning.com/en-us/roofing/warranty#manage-your-warranty> and click Transfer a Warranty, or by calling us at 1-800-Roofing.

1. If the transfer takes place within the TRU PROtection® Nonprorated period (see **"Limited Warranty Information Table"**), the second Owner is entitled to the same coverage as the original Owner.
2. If the transfer occurs after the TRU PROtection® Nonprorated period (see **"Limited Warranty Information Table"**), the balance of this warranty shall be reduced to a 2-year period after the date of ownership change. If there is a manufacturing defect that causes leaks during this 2-year period, our compensation to the second Owner will be based only on the reasonable cost of replacement of the Owens Corning® Roofing Shingles and Components reduced by the amount of use the second Owner and the original Owner have enjoyed from the original installation date through the date of your claim.

3. The AR Warranty Period and Wind Warranty Period are fully transferable. The second Owner will receive the balance of the coverage outlined in the **"Limited Warranty Information Table"** based upon the original installation date.

WHAT IS NOT COVERED

Our warranty does not cover damage to the Owens Corning® Roofing Shingles and Components products due to any cause not expressly covered in this warranty. After our roofing products leave our manufacturing facilities, they are subject to conditions and handling beyond our control that could affect their performance. This warranty does not cover any problems with non-defective roofing products caused by conditions or handling beyond our control. Some examples of conditions not covered by this warranty include:

1. Acts of God, such as hail, strong storms or winds (including gusts) over the maximum wind speed listed in the **"Limited Warranty Information Table"** at the end of this warranty, ice damming above the area covered by leak barriers or flashings, or snow or water infiltration through exhaust vents.
2. Roof damage or leaks caused by pre-existing conditions, underlying roofing materials, underlying structural failures, settlement, or any defective areas on or near the roof that are not part of the Roofing System. Examples include but are not limited to chimneys with loose or cracked mortar, damaged siding, faulty counterflashing, or improperly designed or installed gutter or downspout systems.
3. Foot traffic on your roof or damage caused by objects (e.g., tree branches) falling on your roof.
4. Improper or faulty installation of your roofing products — installation must be in accordance with our written installation instructions and comply with local building codes.
5. Shading, or variations in the color of your Owens Corning® Shingle Products or discoloration caused by algae, fungi, lichen, or cyanobacteria (unless covered under the section **"What About Algae Resistance"**).
6. Damage caused by improper or inadequate roof ventilation or roof drainage, unvented attics, or enclosed roof rafter assemblies.
7. Damage caused by, or the cost to repair or replace, any non-Owens Corning® Products, including but not limited to metal work, counterflashing, failed and/or corroded roof nails, or pipe boots that allow water to enter the structure or Roofing System.
8. Damage to the shingles caused by alterations made after completion of application, including structural changes, equipment or solar panel installation, power washing, painting, the application of cleaning solutions not in accordance with our algae removal instructions, coatings, or other modifications.
9. Any damage due to debris, resins, or drippings from foliage.
10. Improper storage, handling, or other conditions beyond our control.
11. Any costs that you incur that are not authorized in advance by Owens Corning.

REPLACEMENT SHINGLE VARIATION

As a result of our ongoing efforts to improve and enhance our roofing products, we must reserve the right to discontinue or modify our shingles and component products, including their colors. We are not liable to you if you make a warranty claim in the future and any replacement roofing products you receive vary in color either because of normal weathering or changes in our product line. You should understand that, if we replace any of your shingles or component products under this warranty, we reserve the right to provide you with substitute shingles or component products that are comparable only in quality and price to your original shingle or component products.

COMPENSATION

Under the terms of this warranty, the manner of compensation is at the sole discretion of Owens Corning and may be arranged directly by Owens Corning or issued in the form of cash settlement and/or material credit for Owens Corning® Products to an existing supplier of Owens Corning® Roofing materials. All costs must be pre-approved by Owens Corning.

CLAIMS PROCESS & RIGHT OF INSPECTION

To make a claim under this warranty, you must do so within 30 days after you discover the problem. To fully evaluate your claim, we may ask you to provide, at your expense, pictures of your shingles or shingle samples for us to test. You must do so in order to be eligible to make a claim under this warranty. To make a claim or if you have any questions, do not hesitate to

call 1-800-ROOFING or visit us at www.owenscorning.com/roofing. If you repair or replace your Owens Corning® Products before Owens Corning has made a determination on your claim, your claim may be denied. Owens Corning shall have a reasonable time after notification of a claim to inspect the roof. If requested by Owens Corning, the owner shall provide Owens Corning with reasonable access to the roof, during normal business hours, for the purpose of conducting an inspection of the roofing products.

NO MODIFICATIONS TO THIS WARRANTY

The terms of this warranty may not be waived or modified (whether by a statement, omission, course of dealing, or any act), except in writing signed by an officer of Owens Corning or a licensed attorney in the Owens Corning legal department, the Owens Corning Field Technical Leader, or Field Technical Manager. Other than such an officer or attorney, Field Technical Leader, or Field Technical Manager, nobody (regardless of whether an Owens Corning employee, a contractor, an installer, or otherwise) has authority to act on behalf of Owens Corning (for example to waive or modify this warranty, to make representations or warranties, or to undertake any liability). This warranty represents the entire agreement between the parties and replaces all other communications, warranties, representations, and guarantees.

MANDATORY ARBITRATION

To the extent permitted by applicable law, Owens Corning and you agree to arbitrate all disputes and claims arising out of or relating to this warranty or Owens Corning® Shingles ("Dispute"). This warranty evidences a transaction in interstate commerce, and the Federal Arbitration Act governs the interpretation and enforcement of this provision. A party who intends to seek arbitration must first send to the other, by certified mail, a written notice of intent to arbitrate ("Notice"). The Notice to Owens Corning should be addressed to: One Owens Corning Parkway, Toledo, OH 43659 ("Arbitration Notice Address"). The Notice must (a) describe the nature and basis of the claim or dispute and (b) set forth the specific relief sought ("Demand"). If the parties do not reach an agreement to resolve the claim within 30 days after Notice is received, you or Owens Corning may commence an arbitration proceeding. All issues are for the arbitrator to decide, including the scope of this arbitration clause, but the arbitrator is bound by the terms of this warranty. The arbitration shall be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this warranty, and shall be administered by the AAA.

YOU AND OWENS CORNING HEREBY WAIVE THE RIGHT TO A TRIAL BY JURY.

The arbitrator may award injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim.

YOU AND OWENS CORNING MAY BRING CLAIMS AGAINST THE OTHER ONLY IN EACH PARTY'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.

Further, you agree that the arbitrator may not consolidate proceedings of more than one person's claims and may not otherwise preside over any form of a representative or class proceeding.

GOVERNING LAW AND FORUM

This warranty and all Disputes are governed by United States Federal laws and laws of Ohio. Subject to the **"Arbitration"** provision in this warranty, if there are any Disputes that cannot be arbitrated, then the parties consent to the exclusive jurisdiction and venue of the state and federal courts in Ohio with respect to such Disputes.

SAVINGS AND SEVERABILITY

To the extent that this warranty is inconsistent with applicable law, this warranty is hereby modified to be consistent with such applicable law. If an arbitrator or court determines that any term in this warranty is illegal or unenforceable, the parties intend for the arbitrator or court to interpret or modify this warranty to the effect of the original intent of the parties as closely as possible while rendering the term and this warranty fully legal and enforceable. If a term in this warranty cannot be rendered legal and enforceable accordingly, the parties intend for the arbitrator or court to sever the illegal or unenforceable term from this warranty, leaving the remainder of this warranty enforceable.

LIMITATIONS

NO DISPUTE MAY BE BROUGHT LATER THAN 1 YEAR AFTER ANY CAUSE OF ACTION HAS ACCRUED, AFTER WHICH ALL DISPUTES ARE FOREVER BARRED.

THIS WARRANTY IS YOUR EXCLUSIVE WARRANTY FROM OWENS CORNING AND REPRESENTS THE SOLE REMEDY TO ANY OWNER OF OWENS CORNING® ROOFING SHINGLES AND COMPONENTS. OWENS CORNING MAKES NO OTHER REPRESENTATIONS, WARRANTIES, OR GUARANTEES OF ANY KIND OTHER THAN THOSE STATED EXPLICITLY IN THIS WARRANTY.

YOUR REMEDY FOR DEFECTIVE SHINGLES OR OWENS CORNING® ROOFING SHINGLES AND COMPONENTS IS FULLY DESCRIBED IN THE SECTION, "HOW LONG ARE YOU COVERED." YOU ARE NOT ENTITLED TO ANYTHING MORE THAN WHAT IS DESCRIBED IN THAT SECTION. OWENS CORNING HAS NO REASON TO KNOW ANY PARTICULAR PURPOSE FOR WHICH YOU ARE BUYING ROOFING SHINGLES OR COMPONENTS.

OWENS CORNING IS NOT RESPONSIBLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, OR OTHER DAMAGES OF ANY KIND, INCLUDING DAMAGE TO YOUR STRUCTURE OR TO YOUR STRUCTURE'S CONTENTS, WHETHER FOR BREACH OF THIS WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR OTHER CLAIMS DERIVED IN TORT OR FOR ANY OTHER. SOME STATES OR PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

FOR CANADA ONLY – The terms in this warranty, except to the extent lawfully permitted, do not exclude, restrict, or modify but are in addition to any provincial laws.

Asphalt Shingle Residential Products

2025 Limited Warranty

Congratulations and thank you for your recent purchase of one of the fine products from CertainTeed Roofing! Since 1904, CertainTeed has been producing quality roofing products that provide long-lasting beauty and protection for homes of every size, style and age. For over 100 years, the basis for our name, "Quality made certain, satisfaction guaranteed," has been our ongoing philosophy.

Your CertainTeed roofing warranty fully explains how CertainTeed supports its products with the strongest warranty protection available. It is important that you read the warranty section of this brochure. The warranty lists the specific CertainTeed asphalt shingle products that are covered and the period of time for which they are covered. Take the time to understand how CertainTeed protects your purchase by standing behind our products.

Limited, Prorated and Transferable Warranty

This warranty covers asphalt shingle products listed in Table 1, sold only in the United States of America, its territories and Canada.

What and Who re Covered and for How Long

From the date of installation, CertainTeed warrants to the original property owner/consumer that, when subject to normal and proper use, its shingles will be free from manufacturing defects for the warranty period specified in Table 1. CertainTeed will pay to repair, replace or clean, at its option, any shingles CertainTeed determines are defective under the terms of this Limited Warranty. In the event of repair, replacement or cleaning pursuant to the terms of this Limited Warranty, the warranty applicable to the original shingles shall apply to the repaired, replaced or cleaned shingles and will extend for the balance of the original warranty period.

Lifetime means for as long as the original individual property owner owns the property where the shingles are installed.

The Lifetime warranty period offered for certain shingles in Table 1 is only available to individual property owners. The warranty period for shingles installed on premises not used by individual property owners as their residence is limited as specified in Table 1. All property owners, who are not individual property owners, and all structures not used by individual property owners as their residence (e.g. corporations, governmental agencies, partnerships, religious organizations, schools, condominiums, property owner associations or cooperative housing arrangements, apartment buildings, and any other type of building or premises not owned by individual property owners) called "Other Ownership" are limited to either a 50-year or 40-year warranty period described in Table 1.

In addition, for Patriot Shingles and Other Ownership after the SureStart™ Protection period ends, this Limited Warranty only covers manufacturing defects that cause leaks.

SureStart™ Protection

Because CertainTeed roofing products are manufactured to the highest quality standards, we confidently include the additional assurance of SureStart™ protection. SureStart provides the strongest non-prorated protection you can get in the vital early years of your new roof.

All of CertainTeed's shingle products are covered by SureStart protection. Under this warranty feature, CertainTeed, at no charge, will pay to repair or replace, at its option, any shingles CertainTeed determines are defective during the SureStart period. Note: Wind warranty and algae warranty are covered separately as described on page 5. The SureStart period begins on the date of application and terminates following the warranty period specified in Table 1. CertainTeed's maximum liability under SureStart is equal to the reasonable cost of comparable replacement shingles and labor as determined by CertainTeed to replace or repair the defective shingles. Roof tear-off, metal work, flashing and disposal expenses, and other costs or expenses incurred during such repair or replacement are not covered or reimbursed by this Limited Warranty, except for certain products with Lifetime warranty periods specified in Table 1, for which CertainTeed's maximum liability also includes the cost of roof tear-off, metal work, flashing and disposal.

In instances in which CertainTeed, under the terms of this warranty, has agreed to pay the reasonable cost of labor required to repair or replace defective shingles, CertainTeed will determine labor costs by Bluebook® or RS Means® data. CertainTeed will provide reimbursement for labor only upon receipt of a copy of the contractor's invoice or other written evidence of the completion of such work which CertainTeed, in its sole discretion, deems acceptable. If product is "self-installed" RS Means or BlueBook will be the sole basis for reimbursement on labor costs.

Costs associated with removal or replacement of overburden (items installed over the shingles, including but not limited to, solar panels, satellite dishes and gardens) are the sole responsibility of the property owner.

SureStart protection does not extend to any shingles applied to non-ventilated or inadequately ventilated roof deck systems as determined by CertainTeed, except as stated on page 4. CertainTeed's maximum contribution toward the cost of repairing or replacing defective shingles applied to a non-ventilated or inadequately ventilated roof deck system is calculated using the reasonable cost of comparable replacement shingles as determined by CertainTeed less 1/120th of that amount multiplied by the number of months from the start of the warranty period to the date when CertainTeed determines the shingles are defective. Labor costs, roof tear-off, metal work, flashing and disposal expenses, and other costs or expenses incurred during such repair or replacement are not covered or reimbursed by this Limited Warranty. For Patriot Shingles and Other Ownership to be covered under this section, the manufacturing defect must cause leaks.

Beyond SureStart™ Protection

After the SureStart Protection period, if CertainTeed determines its shingles have a manufacturing defect, CertainTeed's maximum contribution toward the cost of repairing or replacing defective shingles will be calculated using the reasonable cost of comparable replacement shingles as determined by CertainTeed less the Reduction Figure Per Month, specified in Table 1, for the number of months from the start of the warranty period to the date when CertainTeed determines the shingles are defective. Labor costs, roof tear-off, metal work, flashing and disposal expenses, and other costs or expenses incurred during such repair or replacement are not covered or reimbursed by this Limited Warranty. For Patriot Shingles and Other Ownership to be covered under this section, the manufacturing defect must cause leaks.

ny shingles applied to any inadequately ventilated roof deck

** including Solaris colors. (see footnotes to Table 1)

FOOTNOTES TO T BLE 1.

- A. The Lifetime Warranty period is only available to individual property owners on premises used as their residence. The warranty period for Other Ownership for these shingles is limited to 50 years and the SureStart period is 10 years following the installation of the shingles. **Roof tear-off, metal work, flashing and disposal expense, incurred during repair or replacement are covered or reimbursed by this Limited Warranty.** Limited Warranty transferees during the SureStart™ period are limited to a 50-year warranty period (see section titled "Transfers During the SureStart Period" for details). All products under 30 year Igae Resistant Warranty period are prorated after 15 years.
- B. The Lifetime Warranty period is only available to individual property owners on premises used as their residence. The warranty period for Other Ownership for these shingles is limited to 40 years and the SureStart period is 5 years following the installation of the shingles. Limited Warranty transferees during the SureStart period are limited to a 40-year warranty period (see section titled "Transfers During the SureStart Period" for details). All products under 25 year Igae Resistant Warranty period are prorated after 10 years.

* For Lifetime products, at the completion of the 40th year the reduction figure will remain at 480/600, or 20% of the total maximum liability.

† For details of warranty coverage for shingles installed on inadequately ventilated roof decks on both residential and commercial buildings, see provisions under "Inadequately Ventilated and Non-Ventilated Decks."

†† Wind warranty upgrade – These products are warranted to resist blow-off due to wind velocities, including gusts, up to a maximum of 130 miles per hour during the first fifteen (15) years, provided all of the following conditions are met:

- The CertainTeed shingles are not applied over existing roof shingles (roof-overs are not permitted).
- The CertainTeed specified corresponding hip and ridge accessory products are installed as cap shingles [Shadow Ridge®, Shadow Ridge® XL, Cedar Crest®, Shangle Ridge®, Mountain Ridge® and Landmark Solaris® (& IR)].
- The CertainTeed specified corresponding starter shingles are installed along the roof eaves and rakes (Swiftstart®, High-Performance Starter and Presidential® Starter).

(Note: In Florida, CertainTeed will waive the requirement of applying starter shingles along the roof rake if all of the following conditions are met: The applicable building code requires that asphalt roof shingles be embedded in an 8-inch-wide bed of asphalt roofing cement applied along the roof rake edges. and, the shingles are installed and embedded in an 8-inch-wide bed of asphalt roofing cement along the roof rake edges in accordance with the code.)

¹ Igae Resistant Warranty period applies only to the Igae Resistant (R) version of the pertinent shingle. Igae-Resistant Warranty Period: To get 25-year or 30-year Limited Igae-Resistant Warranty coverage, the original owner must install CertainTeed algae-resistant (R) hip and ridge shingle accessories. Otherwise, Igae-Resistant Warranty Period coverage is limited to ten (10) years from the date of installation. However, Patriot® and Patriot® XL will have a maximum 10-year Limited Igae-Resistant Warranty coverage regardless of the hip and ridge accessories installed.

² CertainTeed's Landmark® ClimateFlex, Landmark® TL, NorthGate® ClimateFlex, Presidential Shake® IR, Belmont® IR, Grand Manor and Carriage House shingles comply with Class 4 UL 2218 Impact Resistance of Prepared Roof Covering Materials test criteria at time of manufacture. CertainTeed's Landmark®, Landmark® PRO and Belmont comply with Class 3 UL 2218 Impact Resistance of Prepared Roof Covering Materials test criteria at time of manufacture.

³The wind warranty for XT™25 shingles installed in Alaska is 90 mph.

Transferability

This Limited Warranty is transferable, but only by the original property owner/consumer to the first subsequent property owner. After the Limited Warranty has been transferred once, it is no longer transferable. Bank foreclosure or a change of ownership on a deed is deemed a transfer under this Limited Warranty.

Transfers During the SureStart™ Period

If this Limited Warranty is transferred during the product's SureStart period, the warranty for the new owner is the same as it would have been for the original owner, except for certain products with Lifetime warranty periods where the duration of the transferred warranty will be 50 years or 40 years as specified in Table 1, measured from the beginning of the SureStart period (i.e. the date of installation), and the remaining period of SureStart protection will be available to the subsequent property owner.

Transfers After the SureStart Period

If this Limited Warranty is transferred by the original property owner/consumer after the SureStart period, the warranty following the transfer will be limited to two (2) years from the date of the transfer. The warranty obligation will be calculated as explained in the section titled "Beyond SureStart Protection."

Limitations

This Limited Warranty does not provide protection against, and CertainTeed will have no liability for, any failure, defect or damage as a result of, including but not limited to:

- Winds, including gusts, greater than the Wind Warranty MPH in Table 1
- Damage caused by lightning, hailstorm, earthquake, fire, explosion, flood or falling objects.
- Damage caused by tornado, or hurricanes (other than as warranted under Wind Warranty MPH in Table 1).
- Distortion, cracking or other failure or movement of: the base material over which the shingles are applied, the roof deck, or the walls or foundation of the building itself.
- Damage caused by structural changes, alterations or additions, or by the installation of equipment (such as, but not limited to, aerials, signs or air-conditioning equipment) to the building after the original shingles have been applied.
- Shading, stains or discoloration to the shingles arising from outside sources such as, but not limited to, algae (unless blue-green algae as described in the section titled "Limited Igae Resistant Warranty"), fungus, moss, lichens or other vegetation, mold or mildew growth, or paints, chemicals or other similar materials.

- Misuse, abuse, neglect, or improper transportation, handling or storage of the shingles.
- Installation of the shingles over non-approved roof decks as more fully explained in CertainTeed's installation instructions published at the time of original installation.
- Damage caused by improper installation or installation not in accordance with CertainTeed's installation instructions published at the time of original installation.
- Damage to the shingles, the roof deck or the structure caused by ice backup or ice damming.
- Damage caused by impact, including such things as tools, equipment or foot traffic.
- Vandalism or acts of war.
- Animals, animal feces or insects.
- Any other cause not a result of a manufacturing defect in the shingles.

Mold and mildew are functions of environmental conditions and are not manufacturing defects. As such, mold and mildew are not covered by this Limited Warranty or any implied warranty.

CertainTeed reserves the right to discontinue or modify any of its products, including the color of its shingles, and shall not be liable as a result of such discontinuance or modification, nor shall CertainTeed be liable in the event replacement material varies in color in comparison to the original product as a result of normal weathering. If CertainTeed replaces any material under this warranty, it may substitute products designated by CertainTeed to be of comparable quality or price range in the event the product initially installed has been discontinued or modified.

Inadequately Ventilated and Non-Ventilated Decks

Shingles applied to inadequately ventilated or non-ventilated decks, other than the shingles and deck systems described in the section titled "Insulated Decks and Radiant Barriers," are subject to a reduced limited warranty period of ten (10) years and do not qualify for SureStart Protection. SureStart™ Protection and the Warranty Period applicable to the shingle are available if CertainTeed determines that the shingle damage was caused exclusively by a manufacturing defect that is unrelated to the inadequate roof system ventilation.

Insulated Decks and Radiant Barriers

CertainTeed's Limited Warranty, including SureStart Protection, will remain in force when its fiberglass shingles are applied to roof deck assemblies where foam insulation is prefabricated into the roof deck system (often called "nailboard insulation"), where insulation is installed beneath an acceptable roof deck system, or where radiant barriers are installed, with or without ventilation, directly below the deck. Acceptable roof deck surfaces must consist of at least 3/8" thick plywood or 7/16" thick Oriented Strand Board (OSB) and slopes must be 2:12 or greater. If a different deck surface material will be utilized, please contact CertainTeed's Technical Services Department for assistance. (See the following important restrictions.)

The design professional is responsible for ensuring: 1) the proper quality and application of the insulation and/or radiant barrier, 2) the provision of adequate structural ventilation and/or vapor retarders as determined to be necessary, and 3) that all local codes are met (particularly taking into account local climate conditions). Special attention must be taken if cellular foam, fiberglass, cellulose insulation or other highly permeable insulation will be used in an unventilated system, or if the insulation/rafter or insulation/joist planes may create an air leak that could lead to moisture transmission and condensation problems. All these important factors and decisions, while not the responsibility of CertainTeed, are critical to assure proper deck system performance.

Ventilated Nail-Base Roof Insulation

Ventilated Nail-Base Roof Insulation products (e.g. FlintBoard® CV) are made of rigid insulation (typically foam board) and another layer of material that provides air space above the insulation and below the nailable deck (which is typically at least 7/16" thick OSB or 3/8" thick plywood). These products can provide soffit-to-ridge ventilation, and if installed in accordance with the deck manufacturer's instructions to achieve sufficient ventilation, will not reduce the scope or length of CertainTeed's Limited Warranty coverage.

Limited Algae-Resistant Warranty

For the Algae-Resistant Warranty Period listed in Table 1, CertainTeed warrants that should blue-green algae (*gloeocapsa magma*), which appears as black/brown streaks, adversely affect the appearance of its algae-resistant roofing shingles (designated as R), CertainTeed, at its sole option, will pay to clean or replace the affected shingles, as described below.

If your shingles qualify for Limited Igae-Resistant Warranty coverage beyond ten (10) years, CertainTeed's maximum contribution towards cleaning or replacing shingles will be calculated using the Igae-Resistant Warranty Period specified in Table 1, less a prorated adjustment that reflects a reduction for the number of months that have elapsed from the date of installation to the date of the claim. This proration period will begin at ten (10) years for shingles qualifying for 25-year coverage, or fifteen (15) years for shingles qualifying for 30-year coverage. It will be CertainTeed's sole determination as to whether the staining or growth on the roof falls within the terms of this Limited Igae-Resistant Warranty coverage.

Coverage under the Limited Igae-Resistant Warranty is transferable. If the Limited Warranty is transferred during the SureStart Period, the coverage remaining of the Igae-Resistant Warranty Period continues from the date of transfer to the end of the Igae-Resistant Warranty Period specified in Table 1. If the Limited Warranty is transferred after the SureStart Period, coverage under the Limited Igae-Resistant Warranty continues either for any remainder of the Igae-Resistant Warranty Period or two (2) years, whichever is less.

WARNING: FOR LOW-VOLUME RAIN IN SALT FOG REGIONS

In areas of low-volume rain (e.g. areas that receive insignificant rainfall during a 90-day period) and/or "salt fog" (e.g. parts of the Southern California coastline), copper released by algae-resistant (AR) granules or shingles can react with aluminum in gutters and cause severe corrosion of the gutters. In such regions, CertainTeed strongly recommends that vinyl or copper gutters, not aluminum gutters, be used with algae-resistant shingles. CertainTeed disclaims all liability and responsibility for any damages that may result from the use of its algae-resistant shingle products with copper granules where gutters containing aluminum are used.

Limited Wind Warranty

CertainTeed warrants its shingles will resist blow-off damage due to wind velocities, including gusts, up to the maximum wind velocity per the Wind Warranty MPH specified in Table 1 during the first fifteen (15) years of the warranty for Lifetime products and during the first five (5) years for all products listed in Table 1. CertainTeed's obligations and liability for shingle blow-off damage during the wind warranty periods as specified above are limited as follows:

CertainTeed's obligations and liability for shingle blow-off damage during the wind warranty periods as specified above are limited as follows:

- If shingles or hip/ridge accessories blow off because the self-sealing asphalt strips did not activate, CertainTeed will furnish replacement shingles without charge, but only for damaged or blown off shingles.
- If shingles or hip/ridge accessories blow off before the self-sealing asphalt strips could have reasonably activated due to installation in cold weather, CertainTeed will furnish replacement shingles without charge, but only for damaged or blown off shingles. CertainTeed will not be responsible for or reimburse labor costs, roof tear-off, metal work, flashing and disposal expenses, or any other costs pertaining to removal or replacement of damaged shingles. Any costs in excess of CertainTeed's material contribution are the property owner's responsibility (and may be covered by owner's insurance).
- CertainTeed shall have no liability for any shingles not fastened in accordance with CertainTeed installation instructions published at the time of original installation.
- CertainTeed shall have no liability for any damage to persons or property caused by blown off shingles.
- CertainTeed's maximum liability during the Limited Wind Warranty period is the reasonable cost of hand sealing all of the shingles on the roof.

Residential Low-Slope Roofing

Please refer to the CertainTeed Roofing Low-Slope Residential Limited Warranty.

What the Customer Must Do

If you believe your shingles have a manufacturing defect, you must notify CertainTeed within 30 days of discovery and provide proof of property ownership and the date of shingle purchase and application. Without original or sufficient proof of purchase CertainTeed reserves the right to use the shingle manufacturing date for claim calculation. In order to properly evaluate and process a warranty claim, CertainTeed may require the property owner to submit a shingle sample to CertainTeed for analysis and/or permit a CertainTeed representative to make repairs to, take photographs of, and/or take samples from the roof, if required. CertainTeed will evaluate each properly reported claim and will repair, replace, clean or reimburse the property owner for the shingles it determines are defective, in accordance with the terms of this Limited Warranty within a reasonable amount of time. For more details about submitting a warranty claim, visit ctroof.com or call (800) 345-1145.

Please send all notifications and correspondence to:
CertainTeed LLC, 805 West 5th Street, Suite # 7, Lansdale, P 19446.
ttn: CertainTeed Roofing Technical Services Department. Telephone number: 800-345-1145.
Email: rpg.t.services@saint-gobain.com

Warranty Registration (not required)

You may register your product warranty on CertainTeed's website: certainteed.com/warrantyreg. Each registrant receives a registration confirmation number by return e-mail that can be printed and kept with this Limited Warranty and your proof of purchase. If you do not have internet access, you can register your shingles by sending: (1) your name, address, and telephone number; (2) the name and contact information of the contractor who installed your shingles and the original date of installation; and, (3) the type, color and number of squares of your shingles to: **CertainTeed LLC, 20 Moores Road, Malvern, P 19355, ttn: CertainTeed Roofing Technical Services Department.**

CertainTeed will register your information and mail you a confirmation number. Failure to register this warranty does NOT void the warranty or any of its terms.

For Your Records

Product Purchased: _____ Date of Installation: _____

Roofing Contractor: _____ Contractor's Telephone No. _____

This warranty applies to shingles installed from January 1, 2025 to December 31, 2025
(The warranty in effect at the time the material is originally installed is the applicable warranty.)

Exclusive Warranty and Limitation of Remedies

THIS DOCUMENT CONSTITUTES THE EXCLUSIVE WARRANTY AND REMEDIES PROVIDED BY CERTAINTEED. THE WARRANTIES AND REMEDIES CONTAINED IN THIS DOCUMENT ARE EXPRESSLY IN LIEU OF ANY AND ALL OTHER OBLIGATIONS, GUARANTEES, WARRANTIES AND REPRESENTATIONS, WHETHER WRITTEN, OR IMPLIED BY STATUTE, TREATY OR IN EQUITY, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE. SOME STATES OR PROVINCES MAY NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR MAY DETERMINE THE PERIOD OF TIME FOLLOWING THE SALE OF THE PRODUCT PURCHASED TO SEEK REMEDY UNDER IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU.

CERTAINTEED'S OBLIGATIONS, RESPONSIBILITIES, AND LIABILITY SHALL BE LIMITED TO REPAIRING OR REPLACING THE DEFECTIVE PRODUCT OR CLEANING ALGAE-RESISTANT SHINGLES IN THE CASE OF ALGAE GROWTH SET FORTH IN THIS LIMITED WARRANTY. IN NO EVENT SHALL CERTAINTEED BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING DAMAGE TO THE PROPERTY, THE BUILDING OR ITS CONTENTS, OR FOR INJURY TO ANY PERSONS, THIRTY OCCURRED AS A RESULT OF THE USE OF CERTAINTEED'S PRODUCTS OR AS A RESULT OF THE BREACH OF THIS WARRANTY. IF YOUR STATE OR PROVINCE DOES NOT ALLOW EXCLUSIONS OR LIMITATIONS OF SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

IN NO EVENT SHALL CERTAINTEED'S TOTAL LIABILITY ARISING OUT OF OR RELATED TO THE PRODUCT(S) OR THIS LIMITED WARRANTY EXCEED THE REASONABLE COST OF SHINGLES AND LABOR TO REPLACE OR REPAIR THE DEFECTIVE SHINGLES.

This Limited Warranty may not be modified, altered or expanded by anyone, including product distributors, dealers, sellers and/or CertainTeed field representatives.

This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from State to State, or Province to Province.

Roofing Plants and Regional Sales Office

CertainTeed roofing products are sold by CertainTeed Roofing in nine sales regions. They are manufactured in ten residential roofing plants and one commercial roofing plant. Since the early 1900s, CertainTeed has been an innovator in the building materials industry and today is a leading manufacturer of building materials including residential and commercial roofing, vinyl siding, composite decking and railing, fiber glass insulation and vinyl fence products. The company is headquartered in Malvern, Pennsylvania, and employs more than 7,000 employees at approximately 60 manufacturing facilities throughout North America. Continuing the 100-year commitment of "Quality made certain, Satisfaction guaranteed™," CertainTeed remains one of the most trusted names in the industry.
